## ***From the South*** (Canton)

- This is a little strange, but it is the easiest way to get to Guy's from the South, so please bear with us . . . There is an exit ramp onto Waterloo from 77 South, but NOT from 77 North, so here's how you have to do it:
- Follow 77 North to the Wilbeth Road exit
- Get off on the Wilbeth Road exit, then make two lefts, thus getting back onto 77 going SOUTH
- The very next exit will be Waterloo Road. Get off there.
- Turn right at the bottom of the exit ramp. Guy's Party Center is a very short distance from the exit on the left, just before Giant Eagle and across the street from Scorchers and the Waterloo Restaurant.

## ***From the West*** (I-71, Wadsworth, Barberton)

- Take 76/224 East until it turns into only St. Rt. 224
- Follow St. Rt. 224 East to the Main Street exit
- Turn left onto Main at the end of the exit ramp
- The first major intersection will be Waterloo. Turn Right. Guy's will be about a mile up on the right, just past Giant Eagle and across the street
